REGISTRATION

Frequently Asked Questions

Q. How does a person apply for a course offered by the Department of Criminal Justice Training?

- A. Agencies who have administrators registered in the Training Registration Information System (TRIS) may register online. Or, the agency training officer (or designee) should fill out **DOCJT Form #29-1, Agency Requests for Training**, to register persons for **any** class. The training officer or agency head must sign the form.

Fax the form to (859) 622-2740, or e-mail to docjt.registration@ky.gov or mail to:
Department of Criminal Justice Training
Attention Registration
521 Lancaster Avenue; Funderburk Building
Richmond, KY 40475-3102

Q. What is the Form 45? Why is it required and how is it different from the POPS Forms, Medical Examination Report (G-1) and Peace Officer's Professional Standards Medical Screening Guidelines (G-3)?

- A. The Form 45 is the Basic Training Medical Confirmation required to be completed within 120 days of the recruit's scheduled entry date into DOCJT's Law Enforcement Basic Training. The form states that a physician is confirming that a recruit has been examined and is in full compliance with the criteria listed in the Medical Screening Guidelines as stated in the G-3.

Q. When will I receive notification that I have been accepted for a class?

- A. Applications are date stamped and processed on a first-come, first-served basis. You will receive written confirmation once your application has been processed. Agency TRIS users may view processed applications in TRIS.

Q. Is there room in a particular class?

- A. The DOCJT's website lists all currently available classes. Please check out <http://docjt.ky.gov/TrainingSchedule>.

Q. May I substitute a person for one already approved for a class?

- A. Only under extenuating circumstances would this be allowed.

Q. If I am currently approved for training and I transfer to another agency, how does this affect my enrollment?

- A. If an individual terminates employment, or transfers from their current agency to another agency, that individual will be cancelled from all classes and must reapply through their new agency.

Q. What if I fail a course?

- A. All training courses taken at the DOCJT are provided to eligible participants without cost, including free room and board, where applicable. However, in the event an individual is unsuccessful in completing a course, he or she is responsible, under 503 KAR 3:030, for paying any applicable fees for repeating or taking a course in substitution for the failed course.

Q. When will I be billed for a course failure?

- A. Immediately after a course retest failure.

Q. What are the training priorities for admission to DOCJT peace officer classes?

A. Based on the need for training and the date the request is received, the training priorities are:

1. Full-time and part-time sworn peace officers or deputy sheriffs taking the course for certification or KLEFPF purposes.
2. Auxiliary law enforcement officers taking the course for certification purposes.
3. Full-time sworn police officers or deputy sheriffs taking the course for Professional Certificate purposes.
4. Other criminal justice system personnel.
5. Special Deputies (must pay for training).

Q. What are the training priorities for admission to telecommunicator courses?

A. Based on the need for training and date the request is received, the training priorities are:

1. Full-time and part-time law enforcement telecommunication employees taking the course for telecommunications certification.
2. Other telecommunications employees.

Q. I completed basic training and am POST certified in another state. Does my training transfer?

A. Kentucky requires peace officers to complete basic training within one year of their date of employment. If you completed basic training in another state, your training may transfer under certain conditions. Please see Page 6 for further information.

Q. What is the difference between a “Hosted” course and a regular DOCJT course?

A. “Hosted” means the course is KLEC approved and students will follow the usual procedure to register for the course with DOCJT.

Q. Will a class that is not taught by DOCJT satisfy my 40 hour training requirements for KLEFPF and POPS credit?

A. Classes taught at the other three (3) training academies are approved for KLEFPF and POPS credit. If you are interested in other classes please contact the KLEC Office to check if the course is approved or what must be done to have it approved.

Q. How often may I take a particular course?

A. To receive training credit, you may only retake the same course once every three years.

Q. If I am on “Standby” for a class, how will I know if my status changes to “Accepted”?

A. If your status changes, you will receive another notice, TRIS users can see status changes daily. If you have not received an “Accepted” notice by two weeks prior to the date of the class, you should apply for another class.

Q. How do I cancel or reschedule a class I am registered for?

A. Your training director or agency head must submit a cancellation on TRIS, call, e-mail or send a fax message to inform the Registration Section (as soon as possible, in case we have someone on standby for the same class). You will be allowed to reschedule if there is room in another class.

Q. What happens if I am approved for a class and I fail to attend?

A. Failure to notify us means that we cannot replace you and may keep another person from being able to attend. Your agency will be notified of any “no show” for a class. **Cancellation of a class is not confirmed until you receive a “Cancellation” notice.**

Q. What do I need to do to change my name or rank in DOCJT records?

A. A name or rank change may be accomplished by contacting the Records Section by phone, or e-mailing to BrandiJ.Robinson@ky.gov. TRIS administrators may make change to ranks within the system.

Q. What if our agency head or address has changed?

A. This can be accomplished by filling out the KLEC Agency Update form and returning it via fax or mail to the contact information on the form.

Q. If I am employed by an agency that must pay for training, what is the cost and procedure for enrollment?

A. Submit DOCJT Form 29-1 (and POPS Form F, page one, if applicable). If you are approved for training, an invoice will be mailed to your agency upon completion of the course. Payment is expected within 30 days from invoice date. Please remember to include the “return” portion of the invoice.

KENTUCKY JUSTICE AND PUBLIC SAFETY CABINET DEPARTMENT OF CRIMINAL JUSTICE TRAINING

The Department of Criminal Justice Training is pleased to provide law enforcement agencies throughout the Commonwealth the ability to register over the internet for classes, access training records, as well as search for course availability, personnel certification status and current course enrollment. The Training & Registration Information System (TRIS) can be accessed from anywhere and at any time.

What TRIS offers...

- **COURSE STATUS:** The opening screen lists current course enrollment. Cancelled, denied and standby course requests are listed at the top followed by approved courses sorted by personnel last name and course begin date.
- **CERTIFICATION:** Review POPS and TPS and/or CCSO certified personnel and their current year certification training hours. Breath Test expiration and termination dates are also available.
- **OPEN COURSES:** The TRIS system displays all available courses including location and the type of training. Course prerequisites and detailed course descriptions are also included to help determine course suitability.
- **COURSE REQUEST:** The Course Request menu displays all requested courses for an agency.
- **PERSONNEL:** The Personnel tab displays those known to be employed by an agency.
- **TRAINING COMPLETED:** TRIS provides access to training records for your personnel including the current year (KLEFPF) certified hours and total training hours completed. While not an official transcript, it provides a course completion report for an individual.

Who can use it and how do you get it?

As head of your agency you must submit a user access authorization form for personnel that are responsible for scheduling training or training records such as training directors and administrative staff. Each person listed on the access authorization can review training records and register personnel for training. Download the form from docjt.ky.gov/tris.

Keeping up with officer skill levels and developing a training plan that meets the expectations of your agency is no small task. The Training & Registration Information System (TRIS) is a tool developed for your ease of use and convenience.

TRAINING

SPECIAL CRITERIA FOR TRAINING

COURSE RISKS:

Low Risks:

- Training occurs indoors. Involves classroom lecture, facilitation exercises and/or computer work.

Intermediate Risks:

- Scenarios: Training involves classroom lecture, facilitation exercises, and outdoor scenarios. The scenarios could include physical confrontations with simulated subjects. Training may occur in inclement weather.

High Risks:

- Firearms- handgun/shotgun/rifle: Training involves classroom lecture and facilitation exercises. Training involves handgun, shotgun, and/or rifle exercises fired on a static line and in tactical courses. Training may occur in inclement weather. Training may involve explosives (Explosive Investigations).
- Driving: Training involves classroom lecture and facilitation exercises. Training involves vehicle operations including emergency response and precision driving. Training may occur in inclement weather.
- Defensive Tactics: Training involves classroom lecture and facilitation exercises. Training involves hands-on encounters with simulated suspects necessitating physical control such as handcuffing. Training could include outdoor scenarios. Training may involve exposure to chemical agents.
- Challenge Course: Involves classroom lecture and facilitation exercises. Training involves moving about on high elements approximately 35 feet off the ground. Even though the participant is tethered **at all times**, the potential of a serious injury places this activity in the high-risk category. Training can be conducted outdoors as well as indoors and may be performed outdoors during inclement weather.

COURSE FITNESS LEVELS:

Low Fitness level:

This training could include lecture, facilitation, classroom scenarios and/or computer work.

Intermediate Fitness level:

This includes practical exercises in an outdoor location during all times and weather conditions. This training could involve hands-on simulated encounters with suspects necessitating physical control such as handcuffing.

High Intensity Fitness level:

In this training, students will need to have the ability to engage in confrontational situations in a high stress environment.

BASIC TRAINING

LAW ENFORCEMENT BASIC TRAINING

928 Hours/77 CEUs

Course Number: 037B-17J

This is the Department of Criminal Justice Training Basic Training Academy curriculum as mandated by Kentucky Revised Statutes for peace officer certification. It covers job performances identified by the 2014 Job Task Analysis conducted with all law enforcement officers in the state of Kentucky along with mandatory training regulations, Federal legislation and professional attributes needed for basic law enforcement officers in the Commonwealth of Kentucky.

During the academy students will identify, discuss and demonstrate learning in many areas of performance. These areas include Patrol Procedures, Physical Training, Vehicle Operations, Defensive Tactics, Legal, Traffic and DUI, Criminal Investigations, and Tactical Responses to Crisis Situations. The complete list of learning outcomes along with the listing of classes is provided to students enrolled at the academy.

Recruits must comply with all administrative regulations and successfully complete all training areas to be eligible for graduation. Meals, housing and all classroom materials are provided for sworn officers. Successful completion will satisfy training requirements for eligible officers for KLEFPF and certification in city, county, urban-county, sheriffs, state law enforcement agencies, airport police and university police agencies (KRS 15.404).

SPECIAL ADMISSION REQUIREMENTS:

A. *The following is required for admission to Basic Training:*

1. POPS Form F and Form D
2. Agency Requests for Training form (DOCJT Form #29-1) submitted no less than 30 days prior to the initial day of the class.
3. Medical Exam form (DOCJT Form #45)
4. Applicant Confirmation Form (DOCJT Form #151)

NOTE: The medical examination (form 45) must be completed within 120 days preceding the initial day of the class. All medical examination forms must be signed by a **medical doctor** or **physicians assistant**. Incomplete medical forms, or those not signed properly, will prohibit a recruit from being admitted to Basic Training.

The Agency Confirmation Form must be completed less than 90 days from Basic Training Start Date.

The information concerning incoming recruits and their equipment needs can be found at docit.ky.gov/recruit_info.html

PROFESSIONAL DEVELOPMENT

DISTANCE LEARNING

The Distance Learning Program mission is to provide Kentucky's law enforcement personnel with quality, accessible training that utilizes technology to enhance presentation and delivery of law enforcement services in Kentucky.

For more information regarding the Distance Learning Program, please contact us at 859-622-7564 or by email docit.elearning@ky.gov

Course instructor contact information will be provided in the orientation material for each individual class.

To register for a Distance Learning Course:

- **Register online using TRIS or Send in a Form 29-1.**
- **Check e-mail address in TRIS or add your e-mail address on Form 29-1 (in the "Location" box). You will receive your login credentials via e-mail.**

ATTENTION CJIS INQUIRY ONLY AND MDT TERMINAL USERS:

The Kentucky State Police has assumed responsibility for Inquiry Only and MDT Training for all users. You may contact the KSP Help Line at 1-800-858-5465 for registration or more information. The Department of Criminal Justice Training will continue to conduct CJIS Full Access training.

Frequently Asked Questions

Information on the lesson material must be directed to a course instructor either by email or by telephone. Contact information for the course instructor is listed in the orientation section of the course. All other issues may be addressed to the distance learning staff at DOCJT.Elearning@ky.gov which is monitored Monday – Friday 8:00 a.m. to 4:30 p.m.

Below are some of the most commonly asked questions and the answers to resolve the issues.

LESSON FOLDER NAVIGATION & MATERIAL

Question: How do I go from one lesson to the next?

Answer: To navigate through your course, you will need to usually click the NEXT or PREVIOUS link in the upper right (and often bottom right) of each page. **You must complete all lesson requirements before you can continue.** Lessons are designed to take the learner through a logical progression of information. Therefore, if you have not reviewed lesson material or finished a quiz you will not be able to view the next course materials.

Question: I do not see anything in the lesson folder or the lesson material does not show up.

Answer: First make sure you have completed all lesson requirements such as reviewing material or taking quizzes. If you have done this look at the section on “Computer Problems” to see if it is a computer issue that may be resolved. If these answers do not fix your problem, please contact the distance learning course administrator or help desk listed at the top of this page.

Question: What if I have to leave the course and come back at a later time?

Answer: If you need to leave the course for any reason, you can log back in and resume at the point you left off by clicking the folders list and the lesson material within the folder. You can begin at the last lesson component that you were working on.

COMPUTER PROBLEMS

Question: My computer is running slowly and it is taking long periods of time to download or display items from the course.

Answer: Internet connection and computer speed affect your ability to navigate through the course material. If you are using an older computer or a computer with a slow internet connection, it may be best if you could find another computer to use for the course. DOCJT has no restrictions on where or when the course must be completed, only for the timeframe of completion once the course opens. You may need to check with your immediate supervisor to see if your agency has any restrictions concerning where or when you must complete the course.

Question: I click on the link to begin a lesson quiz and nothing appears except a blank screen.

Or

I click on the link to begin a lesson quiz and receive a message box indicating I have a certain number of minutes to complete the quiz, but after clicking the OK button nothing appears except a blank screen.

Answer: Disable all pop up blockers. This can be done using the Windows Tool tab at the top of the internet browser. You may have to log off and restart your computer for changes to take effect. Sometimes services such as Google and Yahoo may have installed pop up blocking software on the computer and it is more difficult for a novice computer user to disable. In any case you may right click on the link to begin the quiz which will produce a small menu. You should then left click on the “open in a new window” option. This process will bypass any and all pop up blockers on the computer

Question: I cannot view the lesson presentations and/or videos.

Answer: swf files (Flash Files)

This could be caused by several factors. The problem could be a pop up blocker on the computer that is keeping the presentation from appearing. You may have to disable the pop up blocker before starting, but the computer might have to be restarted before the change takes effect. Also, services such as Yahoo or Google may have secondary pop up blocking software installed on the computer. You can right click on the link to begin the presentation and select "open in a new window". This will bypass the pop up blocker and open the presentation in a new viewing window. If this procedure does not work, you must download a new version of Macromedia Flashplayer. There is a link to this free download on the Welcome page of the course. Once downloaded you will have to log out of the class and restart the computer for it to work properly.

Note: If you are using an APPLE™ product such as IMAC™, IPAD™ or IPOD™ you may also need to download an app for your device to view these and other flash files. ANGEL recommends for the best results, iPhone and iPod Touch users should use the normal ANGEL display mode.

wmv files

The video presentations play in Windows Media Player. Some video presentations will take a few minutes to download completely. The download speed depends on the computer and the Internet connection. If after waiting patiently, the video still does not play, download a newer version of the windows media player software to the computer. This free download is available on the Welcome page of the course.

Question: I was interrupted and left the computer running for a period of time with no activity. Now the computer is either locked up or none of the lesson material will display.

Answer: If the program runs with no activity for even a short period of time (like ten minutes) you may lose authentication. Log out of the course, log back in and everything should run fine. You will still be able to pick up where you were before this occurred. If the computer is frozen or locked up, restart the computer and log back in to the course. Again, you will be able to pick up right where you left off.

QUIZZES AND TESTS

Question: I failed a lesson quiz or I have taken it multiple times and not received a passing score.

Answer: Lesson quizzes are objective based reviews of the lesson material and you must receive a passing score to advance to the next lesson. If you are unsuccessful on the first attempt, you will be automatically directed to a review of the lesson material and then a second quiz that allows for 3 additional attempts to attain a passing score. **All quizzes are scrambled so the order of questions and answers will differ from one quiz to the next.** If you are still unsuccessful after four attempts, you are essentially stuck at this point and cannot move forward in the class. A course instructor with course editor privileges must review the lesson quizzes for this lesson, delete the submissions, and reset the quiz for you. You may contact a course instructor by telephone or by email using the information provided in the orientation section of the course.

Question: What if I fail the final exam of the course?

Answer: You will be contacted by the section in charge of the online course that you have taken about retest procedures. The retest will be administered in writing and in person.

COURSE COMPLETION AND NOTIFICATION

Question: What is the time frame for completion of a distance learning course?

Answer: The time frame for completion of an online course is normally one week. The exception to this is for Mandatory Training classes which run for two weeks. Holidays or system downtime may extend this for a short period of time. Classes are scheduled frequently and cannot be extended for longer periods of time.

Question: How will I know I have finished my distance learning course?

Answer: Upon the submission of the final assessment in any online learning course you will be asked to participate in a voluntary course survey. Whether or not you choose to take the survey you will be directed to the final screen that will advise you to close out your internet browser. At this point you will have completed all course content.

Once the course is closed the assessments and content will be verified by the distance learning coordinator and/or class instructor. Then your agency will receive an “official” mailer from the Department of Criminal Justice Training advising them of your final score. **This mailer is the ONLY official notification of successful completion of your distance learning course. NO email notifications from the learning management system are considered valid documentation for your final status.**

DEFENSIVE TACTICS COORDINATOR

40 Hours

This curriculum mirrors the Basic Training defensive tactics curriculum which contains techniques found in PPCT, Krav Maga and other widely used police defensive tactics programs. The coordinator will use the curriculum to bridge the gap between Basic Training instruction and officers in the field. This course addressed the most common types of resistance officers encounter which would allow the instructor to maximize training to relate techniques that can be used on the job. The course will also teach a simple use of force continuum which clarifies the appropriate force level for every level of resistance. Each student will be required to teach an assigned block of instruction. Students will be able to demonstrate techniques of teaching and coaching other officers, describe legal considerations for defensive tactics instructors, describe first aid and emergency preparations for defensive tactics training.

Attendees: Any Rank – Agency Defensive Tactics Instructor

Prerequisites: Must be sworn as a law enforcement officer in the state of Kentucky. Students must submit an additional application to the Physical Training Section Supervisor to be considered for admission. Letter or memo submitted by agency head stating that the student will use this Defensive Tactics Coordinator course within their agency to conduct defensive tactics training annually. First priority will be given to those officers who: are designated as the agency defensive tactics coordinator, and/or are currently certified as a PPCT Instructor, and/or have a PPCT basic certification, and/or a Krav Maga Instructor certification or other applicable DT certification.

VALUES BASED LEADERSHIP

40 Hours

This is an advanced leadership course designed for graduates of the Academy of Police Supervision and other mid-level executives (Sergeant/Lieutenant/Captain). The course explores individual and organizational values and how value-conflict affects attitudes and morale. The course will emphasize the significance of aligning organizational and personal virtues, innovative communications, effective listening skills, and ethical decision making. Students are required to participate in reading and writing assignments and complete leadership practical exercises. The learning outcomes for this course will be that the student will have a greater understanding of occupational, organizational, individual values and how to align those values to further the student's agency/organizational mission. The student will communicate these values through the introduction and exposure of additional leadership styles.

Attendees: Must be a graduate of the Academy of Police Supervision (APS) or a mid-level executive in their agency (Lieutenant/Captain).

Prerequisites: See Attendees
