REGISTRATION
The Most Frequently Asked Questions

Q. How do I apply for a course offered by the Department of Criminal Justice Training?
A. Fill out DOCJT Form #29-1, Agency Requests for Training, to register for each of the classes. The County Coroner must sign this form.

Fax this form to: 859-622-2740, or mail to:

Registration
Department of Criminal Justice Training
Funderburk Building, EKU
521 Lancaster Avenue
Richmond, KY 40475-3102

If any of the following conditions exist, you will also need to complete the Coroner’s Update Form (must be signed by the County Coroner):

- New employee
- Employment status change
- Address change
- Termination or resignation

Fax the form to 502-564-1699, or mail to:

Kentucky Medical Examiner’s Office
100 Sower Blvd., Ste. 202
Frankfort, KY 40601-8272

Q. Is there room in a particular class?
A. Applications are date stamped upon receipt and applications are processed on a first-come, first-served basis. It is impossible to give an accurate answer until the bulk of the applications are processed, after the Training Schedule book is distributed.

NOTE: All classes have a maximum number of spaces. Please don’t wait until the end of the year to request a class, because there may not be openings in the one you want.

Q. What if the minimum number for a class is not reached?
A. The class may be cancelled.

Q. How often may I take a particular course?
A. To receive training credit, you may only retake the same course once every three years.

Q. How do I cancel or reschedule a class I am registered for?
A. You should call or send a fax message to inform the Registration Section (as soon as possible in case we have someone on standby for the same class). You will be allowed to reschedule if there is room in another class.
Q. Who can register Coroners and Deputy Coroners for class?
A. Only the Coroner can sign the Training Request (29-1) form.

Q. What happens if a Coroner doesn’t get training for the year?
A. The office of coroner was established in Section 99 of the Kentucky Constitution. The General Assembly cannot mandate training requirements for coroners, but has established the monthly compensation for coroners in KRS 64.185. Pursuant to KRS 64.185(1) a coroner who attends and successfully completes an initial basic training course and at least eighteen (18) hours of approved training annually is entitled to a salary of $200 to $400 more per month than a coroner who does not complete training, depending upon the population of the county in which he or she serves.

Q. What happens if a Deputy Coroner doesn’t get training for the year?
A. KRS 72.415(2) requires every deputy coroner to complete a basic training course and take eighteen (18) hours of annual training as a condition of office. KRS 72.415(1) grants coroners and deputy coroners the full power and authority of peace officers to enforce the provisions of KRS 72.410 through 72.470. A deputy coroner who failed to complete his or her training would lose that power and authority. Additionally, KRS 64.185(2) establishes the monthly compensation for deputy coroners. Since basic and annual training is a condition of the office of deputy coroner, one who does not complete that training would not be entitled to the salary established in KRS 64.185.

Finally, KRS 72.470 grants immunity to a coroner or deputy coroner, acting in good faith within the scope of his or her official duties, from any civil liability that might otherwise be incurred or imposed. A deputy coroner who failed to complete his or her training might not be entitled to the protections of KRS 72.470.

Q. What is Form #101 and what is it used for?
A. DOCJT form #101 is used to document and verify the Coroners or Deputy Coroners that completed the Mandatory Training offered on a CD format. The Coroner of each County will sign off on that form to verify the personnel listed have completed this training. The form is then mailed or faxed to Records at DOCJT. Otherwise there would be no record of those persons having completed the training, and they would not be so credited.
E-Mail to: docjt.registration@ky.gov

In addition to U.S. mail and fax, we will accept DOCJT Form 29-1 (Agency Requests for Training) and 101 (Mandatory Training Credit) sent via e-mail.

The e-mail must include:

- Name and phone number of person sending the e-mail
- Form 29-1 (containing course information, date, agency, name, title of person authorizing the training and their name typed in the Signature Block)

PLEASE REPRODUCE THE FORMS ON PAGES 21-37 FOR YOUR USE, AS NEEDED.

Note: Coroner Update Form, Form 29-1, and 101 are available in electronic format (in Microsoft Word). If you need a form that can be filled out using your computer, contact Susan Dunaway at 859-622-2914 or via e-mail at Susan.Dunaway@ky.gov.

Please check the website at www.Coroners.ky.gov for forms and other pertinent information.
