(8) Upon a finding of a violation of any of the conditions specified in subsection (7) of this section or of the order permitting any reduction in a minimum period of revocation that is issued pursuant thereto, the court shall dissolve such an order and the person shall receive no credit toward the minimum period of revocation required under subsection (1)(b), (c), or (d) of this section.

Section 3. KRS 189A.090 is amended to read as follows:

is equipped with a functioning ignition interlock device as required by KRS 189A.420.

(2) In addition to any other penalty imposed by the court, any person who violates subsection (1) of this section shall:
(a) For a first offense within a **ten (10) [five (5)]** year period, be guilty of a Class B misdemeanor and have his license revoked by the court for six (6) months, unless at the time of the offense the person was also operating or in physical control of a motor vehicle in violation of KRS 189A.010(1)(a), (b), (c), (d), or (e), in which event he shall be guilty of a Class A misdemeanor and have his license revoked by the court for a period of one (1) year;
(b) For a second offense within a **ten (10) [five (5)]** year period, be guilty of a Class A misdemeanor and have his license revoked by the court for one (1) year, unless at the time of the offense the person was also operating or in physical control of a motor vehicle in violation of KRS 189A.010(1)(a), (b), (c), (d), or (e), in which event he shall be guilty of a Class D felony and have his license revoked by the court for a period of two (2) years;
(c) For a third or subsequent offense within a **ten (10) [five (5)]** year period, be guilty of a Class D felony and have his license revoked by the court for two (2) years, unless at the time of the offense the person was also operating or in physical control of a motor vehicle in violation of KRS 189A.010(1)(a), (b), (c), (d), or (e), in which event he shall be guilty of a Class D felony and have his license revoked by the court for a period of five (5) years; and
(d) At the sole discretion of the court, in the interest of public safety and upon a written finding in the record for good cause shown, the court may order that, following any period of incarceration required for the conviction of an offense under paragraph (a), (b), or (c) of this subsection, the eligible person is authorized to apply for and the cabinet shall issue to the person an ignition interlock license for the remainder of the original period of suspension or revocation and for the entire period of the new revocation if the person is and remains otherwise eligible for such license.

(3) The **ten (10) [five (5)]** year period under this section shall be measured in the same manner as in KRS 189A.070.

(4) Upon a finding of a violation of any of the requirements of an ignition interlock license, the court shall dissolve such an order and the person shall receive no credit toward the remaining period of revocation required under subsection (2)(b) or (c) of this section.

Section 4. KRS 189A.200 is amended to read as follows:

(1) The court shall at the arraignment or as soon as such relevant information becomes available suspend the motor vehicle operator's license and motorcycle operator's license and driving privileges of any person charged with a violation of KRS 189A.010(1) who:

(b) Has been convicted of one (1) or more prior offenses as described in KRS 189A.010(5)(e) or has had his operator's license revoked or suspended on one (1) or more occasions for refusing to take an alcohol concentration or substance test, in the **ten (10) [five (5)]** year period immediately preceding his arrest; or (c) Was involved in

6/6/2016
an accident that resulted in death or serious physical injury as defined in KRS 500.080 to a person other than the defendant.

(2) Persons whose licenses have been suspended pursuant to this section may file a motion for judicial review of the suspension, and the court shall conduct the review in accordance with this chapter within thirty (30) days after the filing of the motion. The court shall, at the time of the suspension, advise the defendant of his rights to the review. If the person files a motion with the court waiving the right to judicial review of the suspension, the court, in its discretion, may authorize the person to apply to the cabinet for issuance of an ignition interlock license under KRS 189A.420 for the period of the suspension. If the person complies with KRS 189A.420 and is otherwise eligible, the cabinet shall issue the person an ignition interlock license for the remainder of the suspension period and apply the court-determined credit on a day-for-day basis for any subsequent ignition interlock requirement arising from the same incident.

(3) When the court orders the suspension of a license pursuant to this section, the defendant shall immediately surrender the license to the Circuit Court clerk, and the court shall retain the defendant in court or remand him into the custody of the sheriff until the license is produced and surrendered. If the defendant has lost his operator's license, other than due to a previous suspension or revocation, which is still in effect, the sheriff shall take him to the office of the circuit clerk so that a new license can be issued. If the license is currently under suspension or revocation, the provisions of this subsection shall not apply.

(4) The Circuit Court Clerk shall forthwith transmit to the Transportation Cabinet any license surrendered to him pursuant to this section.

(5) Licenses suspended under this section shall remain suspended until a judgment of conviction or acquittal is entered in the case or until the court enters an order terminating the suspension, but in no event for a period longer than the maximum license suspension period applicable to the person under KRS 189A.070 and 189A.107. Nothing in this subsection shall prevent the person from filing a motion for, the court from granting, or the cabinet from issuing an ignition interlock license under subsection (2) of this section.

(6) Any person whose operator's license has been suspended pursuant to this section shall be given credit for all pretrial suspension time against the period of revocation imposed. Licenses suspended under this section shall remain suspended until a judgment of conviction or acquittal is entered in the case or until the court enters an order terminating the suspension, but in no event for a period longer than the maximum license suspension period applicable to the person under KRS 189A.070 and 189A.107.

Section 5. KRS 189A.240 is amended to read as follows:

In any judicial review of a pretrial suspension imposed under KRS 189A.200(1)(a), if the court determines by a preponderance of the evidence that:

(1) The person was charged and arrested by a peace officer with a violation of KRS 189A.010(1)(a), (b), (c), (d), or (e);

(2) The peace officer had reasonable grounds to believe that the person was operating a motor vehicle in violation of KRS 189A.010(1)(a), (b), (c), (d), or (e);

(3) There is probable cause to believe that the person committed the violation of KRS 189A.010(1)(a), (b), (c), (d), or (e) as charged; and
(4) The person has been convicted of one (1) or more prior offenses as described in KRS 189A.010(5)(e) or has had his motor vehicle operator's license suspended or revoked on one (1) or more occasions for refusing to take an alcohol concentration or substance test, in the ten (10) year period immediately preceding his arrest, then the court shall continue to suspend the person's operator's license or privilege to operate a motor vehicle. The provisions of this section shall not be construed as limiting the person's ability to challenge any prior convictions or license suspensions or refusals.

Section 6. KRS 189A.330 is amended to read as follows:
(1) The clerk of the court in which hearings for violation of KRS 189A.010 are heard shall report to the Administrative Office of the Courts on or within five (5) working days of January 1, April 1, July 1, and October 1 of each year the cases involving violations of KRS 189A.010 which have not resulted in a final ruling by the court within one hundred eighty (180) days of the date upon which the person was charged with a violation of KRS 189A.010.
(2) The Administrative Office of the Courts shall forward a copy of the lists of these cases to the Chief Justice and the Office of the Attorney General.

(4) The Chief Justice may take actions deemed necessary and reasonable to facilitate the resolution of these cases within a reasonable time period.

(b) The ignition interlock periods shall be as follows:
1. The first time in a ten (10) year period, a functioning ignition interlock device shall be installed for a period of six (6) months, if at the time of offense, any of the aggravating circumstances listed under KRS 189A.010(11) were present while the person was operating or in physical control of a motor vehicle.

(2) If the death of a member in service occurs on or after July 1, 1968, as a direct result of an "act in line of duty" and the member has on file in the retirement office at the time of his or her death a written designation of only one (1) beneficiary other than his or her
spouse, who is a dependent receiving at least one-half (1/2) of his or her support from the deceased member, the beneficiary may elect to receive a lump-sum payment of ten thousand dollars ($10,000).

(3) In the period of time following a member's death during which dependent children survive, monthly payments shall be made for each dependent child who is alive, equal to ten percent (10%) of the deceased member's monthly final rate of pay; however, total maximum dependent children's benefits shall not be greater than forty percent (40%) of the deceased member's monthly final rate of pay at the time any particular payment is due. The payments shall commence in the month following the date of death of the member and shall be payable to the beneficiaries, or to a legally appointed guardian or as directed by the system. Benefits shall be payable under this subsection notwithstanding an election by a beneficiary to withdraw the deceased member's accumulated account balance as provided in KRS 61.625 or benefits under any other provisions of KRS 16.510 to 16.652.

(4) A beneficiary eligible for benefits under subsection (1) or (2) of this section who is also eligible for benefits under any other provisions of KRS 16.510 to 16.652 may elect benefits under this section or any other section of KRS 16.510 to 16.652 but cannot elect to receive both.

(5) (a) A beneficiary applying for benefits under subsection (1) or (2) of this section who is also eligible for benefits under KRS 16.578 may elect to receive benefits under KRS 16.578(2)(a) or (b) while the application for benefits under subsection (1) or (2) of this section is pending.

(c) If the beneficiary has been paid less than the amount of benefits to which the beneficiary was entitled to receive under this section, the system shall pay the additional funds due to the beneficiary.

(d) If the beneficiary has been paid more than the amount of benefits to which the beneficiary was entitled to receive under this section, the system shall deduct the amount overpaid to the beneficiary from the ten thousand dollars ($10,000) lump-sum payment and from the monthly retirement allowance payments until the amount owed to the system has been recovered.

Section 2. KRS 61.621 is amended to read as follows:

(1) Notwithstanding any provision of any statutes to the contrary, effective June 1, 2000, any employee participating in one (1) of the state-administered retirement systems who is not in a hazardous duty position, as defined in KRS 61.592, shall be eligible for minimum benefits equal to the benefits payable under this section or KRS 61.702 if the employee dies or becomes totally and permanently disabled to engage in any occupation for remuneration or profit as a result of a duty-related injury.

(2)(a) For purposes of this section, "duty-related injury" means:

1. a. A single traumatic event that occurs while the employee is performing the duties of his position; or

b. A single act of violence committed against the employee that is found to be related to his job duties, whether or not it occurs at his job site; and
2. The event or act of violence produces a harmful change in the human organism evidenced by objective medical findings.

(b) Duty-related injury does not include the effects of the natural aging process, a communicable disease unless the risk of contracting the disease is increased by nature of the employment, or a psychological, psychiatric, or stress-related change in the human organism unless it is the direct result of a physical injury.

(3)(a) If the employee dies as a result of a duty-related injury and is survived by a spouse, the surviving spouse shall be the beneficiary, and this shall supersede the designation of all previous beneficiaries of the deceased employee's retirement account.

(b) The surviving spouse may elect to receive the benefits payable under KRS 61.640 or other applicable death benefit statutes, or may elect to receive a lump-sum payment of ten thousand dollars ($10,000) and a monthly payment equal to twenty-five percent (25%) of the member's monthly final rate of pay beginning in the month following the member's death and continuing each month until death.

(4) If the employee is determined to be disabled as provided in KRS 61.600, or other applicable disability statutes in any other state-administered retirement system, as the result of a duty-related injury, the employee may elect to receive benefits determined under the provisions of KRS 61.605, or other applicable disability statutes in any other state-administered retirement system, except that the monthly retirement allowance shall not be less than twenty-five percent (25%) of the employee's monthly final rate of pay. For purposes of determining disability, the service requirement in KRS 61.600(1)(a), or other applicable statutes in any other state-administered retirement system, shall be waived.

(5) In the period of time following a member's death or disability during which dependent children survive, a monthly payment shall be made for each dependent child who is alive which shall be equal to ten percent (10%) of the deceased or disabled member's monthly final rate of pay; however, total maximum dependent children's benefits shall not exceed forty percent (40%) of the deceased or disabled member's monthly final rate of pay at the time any particular payment is due. The payment shall commence in the month following the date of death or disability of the member and shall be payable to the beneficiaries, or to a legally appointed guardian, or as directed by the system. Benefits for death as a result of a duty-related injury shall be payable under this subsection notwithstanding an election by a beneficiary to withdraw the deceased member's accumulated account balance as provided in KRS 61.625 or benefits under any other provisions of KRS 61.515 to 61.705 or other applicable death benefit statutes in any other state-administered retirement system.

(6)(a) A spouse applying for benefits under this section who is also eligible for benefits under KRS 61.640 may elect to receive benefits under KRS 61.640(2)(a) or (b) while the application for benefits under this section is pending.

(b) If a final determination results in a finding of eligibility for benefits under this section, the system shall recalculate the benefits due the spouse in accordance with this subsection.

(c) If the spouse has been paid less than the amount of benefits to which the spouse was entitled to receive under this section, the system shall pay the additional funds due to the spouse.

(d) If the spouse has been paid more than the benefit the spouse was eligible to
receive under this section, then the system shall deduct the amount owed by the spouse from the ten thousand dollars ($10,000) lump sum payment and from the monthly retirement allowance payments until the amount owed to the systems has been recovered.

This section shall be known as "The Fred Capps Memorial Act."

Section 3. This Act shall have retroactive effect to any matters pending before the Kentucky Retirement Systems or appeals of any of those matters pending on the effective date of this Act.

Section 4. Whereas ensuring that benefits for public employees suffering death in the line of duty are promptly distributed is important to the public employees serving in the line of duty, to their families, and to the Commonwealth of Kentucky, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

SENATE CONCURRENT RESOLUTION 9

A CONCURRENT RESOLUTION recognizing the importance of removing barriers to breastfeeding in the Commonwealth.

WHEREAS, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, the American Academy of Family Physicians, the Academy of Breastfeeding Medicine, and the World Health Organization recommend that babies be exclusively breastfed for the first six months of an infant’s life and continue to be breastfed until 12 months of age or longer as mutually desired; and

WHEREAS, only 31 percent of Kentucky infants are still breastfeeding at six months of age, giving the Commonwealth the ranking 42 out of 50 for breastfeeding rates among all states; and

WHEREAS, Kentucky’s rates of breastfeeding initiation, duration, exclusivity and worksite support fall well below both the national baseline and the Healthy People 2020 goal to increase the proportion of infants who are ever breastfed to 82 percent; and

WHEREAS, in January 2011, the United States Surgeon General announced a "Call to Action to Support Breastfeeding" that identifies barriers to optimal breastfeeding in health care practices, employment, communities, research, public health infrastructure, and social networks, and also recommended methods in which families, communities, employers, and health care professionals could help eliminate those barriers to improve breastfeeding rates and increase support for breastfeeding; and

WHEREAS, children fed mainly breastmilk for the first six months of life are 22 percent less likely to be overweight by age fourteen and according to the 2014 Robert Wood Johnson’s Trust for America’s Health Report, Kentucky ranks number one in the nation for high school students that are obese; and

WHEREAS, research shows that human milk and breastfeeding provide advantages with regard to general health, growth, and development while significantly decreasing the risk of a large number of acute and chronic diseases such as Sudden Infant Death Syndrome, asthma, allergies, diabetes, viral and bacterial infections, childhood obesity, childhood leukemia, necrotizing enterocolitis, and infant mortality; and

WHEREAS, mothers who breastfeed have a decreased risk of breast, uterine and ovarian cancer, postpartum depression, and osteoporosis later in life; and

WHEREAS, the nutrients exclusive to human milk are vital to the growth, development, and maintenance of the human brain and cannot be manufactured; and

WHEREAS, the United States Department of Agriculture’s Economic Research
Service estimates that at least 3.6 billion dollars in medical expenses could be saved each year if the number of children breastfed for at least six months increased to fifty percent; and
WHEREAS, breastfeeding has positive economic impacts on families by decreasing the need to pay for medical care for a sick infant and eliminating the need to purchase infant formula; and
WHEREAS, the health benefits to breastfed children and their mothers results in lower health care costs for employers, less employee time off to care for sick children, and higher productivity and employee loyalty; and
WHEREAS, employers, employees, and society benefit by supporting a mother’s decision to breastfeed and by helping to reduce the obstacles to initiating and continuing breastfeeding;

NOW, THEREFORE, Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Section 1. The Senate recognizes the unique health, economic, and societal benefits that breastfeeding provides to babies, mothers, families, and the community as a whole and affirms that the Commonwealth of Kentucky should work to ensure that barriers to initiation and continuation of breastfeeding are removed.

Section 2. The Senate encourages employers to strongly support and encourage breastfeeding by striving to provide accommodations of appropriate space and time to allow employees to express their milk.

Section 3. The Senate strongly encourages all state agencies that administer programs providing maternal or child health services to provide information about breastfeeding to program participants, and to encourage and support program participants’ choices to breastfeed.

Section 4. The Clerk of the Senate is hereby directed to transmit copies of this Resolution to Senator Reginald Thomas for distribution.
