

IMPLIED CONSENT WARNING

I will be requesting that you submit to a test of your breath, blood or urine, or any combination of these tests. If you refuse to submit to any test which I request, your refusal may be used against you in court as evidence of your violation of KRS 189A.010 and your driver's license will be suspended by the court at the time of arraignment, and you will be unable to obtain an ignition interlock license during the suspension period. If you are convicted of KRS 189A.010, your refusal will subject you to a mandatory minimum jail sentence which is twice as long as the mandatory minimum jail sentence that would be imposed if you submit to all requested tests.

The results of any test taken may be used against you in court as evidence of your violation of KRS 189A.010(1). If a test is taken, although your license will be suspended, you will be eligible immediately for an ignition interlock license allowing you to drive during the period of suspension and, if you are convicted, you will receive credit toward any other ignition interlock requirement arising from this arrest.

If you submit to all tests which I request, you have the right to obtain a test or tests of your blood performed at your expense by a qualified person of your choosing within a reasonable time of your arrest.
